Provident Hospital Orienting!

Provident Hospital has an orientation scheduled for RNs on June 27 from 8am-12pm. Please call us if you would be interested in attending.

They have needs in ICU, Tele, ER and M/S. They do require that you complete a set of quizzes prior to attending an orientation. Please call our office and we will mail the quizzes and other informational materials out to you ASAP.

Will let you know when other orientations will be held in the future. If you are interested in staffing at Provident, or simply want more information about the hospital, please give our office a call.

St. James Now Orienting RNs Every Month

St. James has been very busy with ICU, Tele, ER and M/S orders and are now offering orientations every month. **The orientations are on the first Monday and Tuesday of every month.**

The classes are held from 8:00 a.m. - 4:30 p.m. in the MIS room in the basement of the Chicago Heights campus. You must attend both days in order to complete the orientation. The orientations fill up quickly so please call us if you would like to attend.

Guaranteed Staffing Contracts Available

As the temperature has increased so have our **Guaranteed Staffing Orders!** Give us a call and we will give you all of the details.

Keep in mind that most contracts are between 4 and 13 weeks and require full time, every other weekend availability. However, many hospitals are willing to take part time availability so if you can only do a part time contract please let us know and we will check with the hospital.
